

# East Woodhay & Highclere Coronavirus Community Support

## We Are Here To Help

To help support our local community a number of local organisations across the area are working together under the umbrella of 'East Woodhay & Highclere Coronavirus Community Support'.

We have produced a leaflet, alongside, which will be distributed to households across the East Woodhay, Highclere and Ashmansworth areas.

Thanks to the Churches for their support with this delivery.

In the meantime, please share this message and email to those you know in the area. The flyer can be downloaded from the website below.

The main participating groups are listed at the footer of the flyer.

We will post regular updates via local Websites and Facebook pages and at [www.ewhneighbourcare.org.uk](http://www.ewhneighbourcare.org.uk)

East Woodhay and Highclere Coronavirus Community Support

## Help if you need to self-isolate

**You may need shopping, a prescription or some other help.**

There are local volunteers here to help, just call one of our coordinators:

**07770 834592 - Chris**  
**01635 253378 - Frieda**  
**01635 255582 - Nicole**

Or complete the form at:  
[ewhneighbourcare.org.uk/contact](http://ewhneighbourcare.org.uk/contact).

**You can volunteer to help at [ewhneighbourcare.org.uk/volunteer](http://ewhneighbourcare.org.uk/volunteer) or by calling one of the numbers above.**

*If you're already registered with Neighbourcare as a volunteer, you will be automatically included - there's no need to register again.*

**We can't offer medical or financial advice and have no access to emergency healthcare advice or practitioners. So follow the advice at [www.nhs.uk/conditions/coronavirus-covid-19](http://www.nhs.uk/conditions/coronavirus-covid-19).**

**If you can't get help online and your symptoms get worse call 111.**

**Don't feel too proud to get in touch these are exceptional times and we are here to help.**

As so many things are rapidly changing regarding shopping, medical/surgery, meetings etc., this newsletter is intended to provide a list of many things available to help people and some other communications which have been made. We have done our best to ensure accuracy of information but do please check with the service provider. Also please let us know of other things which are happening and we will add them to the next update.

For all the latest NHS messages see <https://www.nhs.uk/conditions/coronavirus-covid-19/>

The flyer alongside is a handy checklist.

### CORONAVIRUS COVID-19

## Social Distancing

AVOID	USE CAUTION	SAFE TO DO
<ul style="list-style-type: none"><li>• Group gatherings</li><li>• Visits to bars/restaurants</li><li>• Sleep overs</li><li>• Playdates</li><li>• Visiting the elderly with children</li><li>• Crowded retail stores</li><li>• Gyms</li><li>• Visitors to the home</li><li>• Non essential workers in the home</li></ul>	<ul style="list-style-type: none"><li>• Visits to supermarkets</li><li>• Visit to pharmacy</li><li>• Visit to GP</li><li>• Traveling</li><li>• Check on friends and family safely</li><li>• Public transport</li></ul>	<ul style="list-style-type: none"><li>• Go for a walk</li><li>• Jogging</li><li>• Working in the home</li><li>• DIY in and around the home</li><li>• Reading</li><li>• Going for a drive</li><li>• Video calls</li><li>• Phone calls</li></ul>

**Just some of those who are vulnerable that these measures could help:**  
Patients who are elderly, history of lung illness, cancer patients, immune suppressed patients, immune compromised and those with varying underlying conditions.

## NORTH WEST HAMPSHIRE BENEFICE

ASHMANSWORTH + CRUX EASTON + EAST WOODHAY + HIGHCLERE + WOOLTON HILL

...making Christ known in our communities

---

### ***A letter to the parishes***

Further update to response to Coronavirus (COVID-19)  
(17<sup>th</sup> March 2020)

Dear parishioners of the five parishes of the North West Hampshire Benefice,

We have received further instructions from our Archbishops. For reasons of safety, there are to be no public services in our churches until further notice.

Holy Communion will be celebrated each Wednesday for the parishes, and we will continue in our regular prayers. According to local practice our various churches will be kept open during the day for people to visit for their own needs and devotional resources will be made available.

If you want pastoral support or to ask for prayer, please contact either Canon Christine or Canon Marvin (contact details below). If you need help, please do ask and we will help if we can. We will be working in partnership with the wider community network of volunteers which is being established.

#### ***A Day of Prayer: Sunday 22<sup>nd</sup> March 2020***

The Archbishops invite everyone this coming Sunday 22<sup>nd</sup> March, Mothering Sunday, to join in prayer at home for the country, for the world, for everyone anxious or sick at this time. If safe to do so we are asked to place a lit candle, or a light, in a window at 7.00pm on that day as a sign of our prayer and the light of Christ, as well as our solidarity with one another. I hope everyone, regardless of faith, or none, will want to join in this.

Our parish churches have served local people for many generations and through many past challenges of health or warfare. It is what we are here to do, whilst our pattern of meeting and praying together will be different for a while – please be assured faith, hope and love endure for ever.

With every blessing to you all,

*Canon Christine*

#### **Rector**

## Message from the Woolton Hill and Kintbury Surgeries

We have moved to a total triage first position. Essentially this means we have:

- Turned off online booking
- Triage all appointment requests by a GP

Those patients with likely COVID- 19 symptoms which as of last Friday are, any new persistent cough or a fever ( temperature of 37.8 or above ) will be directed to 111.

If well they should self isolate to 7 days and consult 111online for advice / support.  
If unwell they are advised to phone 111

To limit traffic and therefore risk to patients through the practice we will conduct all routine work via the telephone and are looking at the appropriateness / feasibility of video consultations.

Obviously, patients that need to be seen in person will be and we will endeavour to make this as safe as possible. Cleaning and decontamination procedures are in place.  
We may need to limit completely / stop all non urgent work - as the situation progresses.  
Including regular medication reviews and problems of a non urgent nature.  
Patients with an already pre- booked appointment should be notified of this and will receive a telephone call instead.

We have done much planning to ensure we continue to provide a safe service and a functioning dispensary as obviously this is vital and have business continuity plans in place to move to as the situation progresses.

Obviously for us a big challenge will be ensuring adequate staffing if large numbers of our team become unwell or need to self-isolate, which is highly likely.  
I think patients need to prepare for the fact that we may be forced to move to one site, depending upon staff levels. This would not be a move we would take lightly.

---

## Message from Hampshire NHS - Visiting to Hampshire Hospitals

In order to help reduce the spread of COVID-19 (commonly known as coronavirus), we have taken the hard decision to introduce visiting restrictions at all of our hospitals. The sole reason for this is the safety of our patients, our staff and the wider community.

From 0900 on Wednesday 18 March 2020, visiting patients in our inpatient wards or escorting them in outpatient departments will not be permitted unless exceptional circumstances apply. This will be solely at the discretion of the nurse in charge of the relevant ward and permission must be sought before arrival on site.

These restrictions have been put in place to ensure the safety of our patients, staff and visitors. We know that not being able to visit your loved ones when they are unwell is difficult and we are doing everything we can to allow as much access as is safe. Click on the link for more information: <https://www.hampshirehospitals.nhs.uk/news-events/news/covid-19-update-visiting-restrictions>

<http://www.hallsqualitybakers.co.uk>

## Major Grocery Chains

Most major grocery chains have set aside their first hour for the more vulnerable in society but are not accepting new online delivery to customers. However, this is likely to change as they ramp things up

## Message from Broadmead Rest Home.

Due to our home currently being closed to relatives, visitors & entertainers we are asking if anyone from the community would like to write a letter send a drawing in or write a poem for us to read to our residents so they will not feel so isolated. This can be an upsetting time for our residents and we thought receiving poems etc may cheer them up and would be nice for them to hear from the outside world.

We have a red letter box on the wall outside our reception office you could pop your post into. If you put care of lifestyle team, we will read out all the post to our residents in our daily activities at the home. We would be so grateful for your support.

Again thank you from us all at Broadmead.
